The Maximum possible score was 999 (the digit 0 was not defined)

One protest was granted for the odd parallel sign location on Boranda when you were returning from the Love-In.

Because I knew the Rallye was going to be difficult, I granted to all cars all five of the on course markers.

THANK YOU to everyone who helped with this Rallye:

Precheckers Mel Nicholson and Ed Slintak, who bailed me out of a couple big problems.

Mel who also put on the Rallye school and worked the on route checkpoint.

Dave Moen for working registration

Abby Grossman for running a ruthless protest committee.

Most importantly, my old lady Rochelle, who worked the Start checkpoint, added all the "Fun" touches, and has been my Rallye partner since our first date (it was a Rallye) in the sixties.

DON'T MISS the July 5th Rallye starting 4pm at FAIR OAKS PARK (540 N Fair Oaks Avenue, Sunnyvale).
